60. DECLARATIONS OF INTEREST ON ITEMS ON THE AGENDA

Councillor Mrs Gubb declared a non-pecuniary interest in Item 18. (Member, Bideford Bridge Trust.).

61. PUBLIC PARTICIPATION SESSION

Representative of Zen Waters addressed the Members introducing their project which provides support and counselling for victims (and abusers) of domestic violence / sexual abuse and child

bullying. The initiative can provide an alternative for those not wishing to directly involve the Police. Their offer is in response to the rising rates of sexual crimes and domestic abuse, within the south west.

Zen Waters is fully funded and seeks to provide empowerment for victims.

Mr Avery took the opportunity to respond to Members questions in regard to the District Council's request for match funding for the "Playzone," earmarked for Pollyfield (Town Council Meeting 8 August, Minute Number 55.).

He explained that the facility would not be free for all, although later he conceded there would be an element of free time; it needs to make money. It will be "bookable," with priority given to women and girls, the economically challenged, disabled and those with long term health problems and ethnic minorities.

There will be three levels of charging: commercial, community and local organisation rates.

As noted at the last meeting, TDC have approached the Bridge Trust, departments within TDC and will look to source Section 106 monies. Mr Avery would like the funding support in place ASAP, preferably before the end of this financial year – although he believed finance could be accepted early into the new financial year.

Active Torridge will be responsible for the booking of the facility, maintenance and security.

The sand surface has a lifespan of ten years providing for football and multi sport activities (there will be a "sink" fund to replace the surface).

62. **MINUTES**

Councillor Craigie believed that the minute needed to be amended to include,

"The three councillors were hostile when engaging with the Mayor."
